The TCU Percussion Ensemble, under the direction of Dr. Brian A. West, is dedicated to furthering percussion education and performance by commissioning new works, producing high-quality recordings, and performing a variety of literature on and off-campus. The ensemble is honored to have won the 2005 Percussive Arts Society Percussion Ensemble Competition and enjoyed performing at the 2005 Percussive Arts Society International Convention. In addition the ensemble presented a clinic/concert at the 2005 Texas Music Educators Association Convention entitled “Teaching Total Percussion Through the Use of a Percussion Ensemble”. Recently the ensemble released its first CD entitled The Palace of Nine Perfections, which features one piece written for the ensemble and four premiere recordings.

The TCU Percussion Studio, under the direction of Dr. Brian A. West, is dedicated to maximizing percussion education through a wide variety of performing ensembles and a closely supervised private lesson structure. The size of the studio (currently twenty-five music majors and several non-majors) enables all students to receive a variety of performance opportunities and much individual attention. The emphasis of the studio is to give all students a well-rounded knowledge of percussion.
